Dear Bill:

Just a short note to say I'm really enjoying getting into my new role as a member of the Intelligence Committee. What makes this particularly rewarding are some of the reports and assessments that I have been seeing.

I was especially impressed by a recent report entitled "Soviet Efforts to Use Foreigners as Instruments of Influence" (26 February 1985). I found it very informative and written with fascinating detail. This is the type of work I like to see. I hope you will pass along to the staff responsible that this is a job well done!

I hope to see you again soon.

Sincerely,

A handwritten signature in dark ink, appearing to read "Orrin G. Hatch", written over a circular stamp.

your help.*
